

## Transport between Bowness and Ilkley

**Sherpa Van** regrets, that due to circumstances beyond our control, we will be no longer able to offer transport between the end of the Dales Way at Bowness on Windermere and the start at Ilkley.

The Journey by train via Preston and Leeds (the only other option) takes 4.5 hours and involves three changes of train. The rail fare priced today was £42.80 per person. Hardly a viable alternative to the direct and scenic drive which takes only 1.5 hours.

We have been able to arrange an alternative taxi service for the 63 mile journey with **Lakes Village Taxis** at the very competitive rate of £90.00 to be split between the number of persons travelling. (up to four persons)

1 passenger £90 per person - 2 passengers £45 per person- 3 passengers £30 per person  
4 passengers £22.50 per person.

Bookings should be made by email direct to [info@lakesvillagetaxis.co.uk](mailto:info@lakesvillagetaxis.co.uk) with a cc (copy) to [info@sherpavan.com](mailto:info@sherpavan.com) (who will provide a confirmation and coordinate bookings with other passengers) stating that you wish to travel on the Sherpa Van transfer to Ilkley, the number and names of passengers and the date you wish to travel. Your baggage will be delivered by our drivers direct to:

**Lakes Village Taxis,  
Unit 5, Victoria Forge,  
Victoria Street,  
Bowness on Windermere, LA23 1AD**

before 4: 30 pm, when the taxi will depart promptly. If you fear you may be late for any reason you must call to advise on **01539 446777** or the Sherpa Van office on **01748 826917**

Payment (in cash only please- (There is a cashpoint available)) will be made direct to Lakes Taxis on departure.

**\*\*\*\* Please note that if you book the service and fail to show or cancel with less than two weeks notice this will cause cost and inconvenience to others travelling on the same service. Accordingly in making your reservation you agree that a charge may be made on your credit card in that event.**
